COMMUNICATION

Due to a lack of response in this finally rejected application, Applicant's representative contacted Examiner Laye and his supervisor, Chris Kelley, regarding the September 23rd Supplemental Amendment under 37 CFR 1.116 that followed the Examiner's suggestion to place the application into condition for allowance. In a telephone conversation with Applicant's representative on December 23, 2005, Examiner Laye stated that the prosecution is to be re-opened with a non-final Office Action to be mailed shortly.

Respectfully submitted,
